

Are you a counseling psychologist?

Are you interested in working with children and youth?

Are you passionate to work in the disadvantaged communities of Bengaluru and contribute to promoting community mental health.

Join our team at Makkala Jagriti as a *Freelance Counsellor* to make a difference.

We require a Part time Counsellor for the **Community Transformation** Program.

Eligibility :

Minimum qualification : Masters in Counselling psychology/ Child Psychology/ Related field

Experience : Atleast three years of work experience as a counsellor in the education/ health/ social sector, preferably with children or youth.

About Makkala Jagriti and the Community Transformation program:

Makkala Jagriti is a non-profit organization based in Bengaluru. We work towards enabling access to quality education and holistic development of children and youth from underserved communities across Karnataka. The Community transformation program of Makkala Jagriti aims to empower communities by working with the children and youth across age groups (3 years to 24 years), towards achieving school readiness of preschool children, holistic development of children and life readiness of youth.

Job description:

- Counselling children and youth in the community centres, especially those facing emotional, behavioural and developmental challenges.
- Conducting psychological assessments to identify the issues of children and youth.
- Providing individual, group and family counselling sessions as per the need, using appropriate therapeutic approaches.
- Supporting the program team during crisis intervention.
- Documentation of counselling sessions and assessment data.

Workdays : Wednesday to Saturday; Work time : 4.30 pm to 7pm

Location: Bengaluru (Candidate must be willing to travel to different locations in Bengaluru)

Consultant fee would be paid on a prorata basis.
